

Divine assurance

Come just one step towards me and I will take a hundred steps towards you.
Shed just one tear and I will wipe away a hundred tears from your eyes.

I bless you only thus, may your bliss grow.

I have come to give you, the key of the treasure of bliss, to tell you how to tap that spring for you have forgotten the way to blessedness.

If you waste this chance of saving yourselves, it is just your fate.

You have come to me to get tinsel and trash. The petty little cures and promotions.
The worldly joys and comforts that you think you need.
Very few of you desire to get from me, the thing I have really come to give you,
namely liberation itself.

Even among those few of you who do, those who stick to the path of spiritual practice and succeed will be just a handful.

This is a great chance.
This chance will not come your way again.
Will not come your way again.

Be aware of that fact.

If you cannot and do not cross the sea of grief now, taking hold of this chance when again will you ever get such a chance?

Be confident, that you will be liberated. Know that you will be saved and go and tell the world that you went to Puttaparthi and there you got the secret of liberation.

Many of you, hesitate to believe that things will improve, that the golden age will come. That life will be happy for all and full of joy.

But let me assure you, this avatar, this divine body has not come in vain. It will succeed in averting the crisis that has come upon humanity.
